

USING CREATIVITY TO
EXPLORE, EDUCATE & EMPOWER

How to keep children safe online

What can parents do?

TALK & LISTEN

Have open conversations with your young person about their online activity.

RISKS

Understand the potential risk involved.

Educate your young person so they understand the risks involved.

PROTECT

Understand how you can protect your child from inappropriate content.

Empower your young person to use the internet safely.

REPORT

Understand how you can support your child, including who to report to.

Reassure your young person that they can talk to you.
